Section 1. Operation, Maintenance and Repair of Common Area. The Declarant, in order to insure that the Common Area and other land for which it is responsible hereunder will continue to be maintained in a manner that will contribute to

the comfort and enjoyment of the Owners and provide for other matters of concern to them, has organized the Association. The purpose of the Association shall be to operate, maintain and repair the Common Area, and any improvements thereon, including, but not limited to any Surface Water Management System (hereinafter referred to as "SWMS"), lakes, retention areas, culverts and/or related appurtenances which may be located within the Properties; to maintain the decorative entranceways to the Properties; to maintain and repair the exterior surface of certain walls and fences, if any, bordering the Properties and bordering the streets within the Properties; to maintain and repair any irrigation facilities servicing land which the Association is obligated to maintain; to pay for the costs of street lighting for Common Areas, streets within the Properties, or other areas designated by the Board of Directors, and take such other action as the Association is authorized to take with regard to the Properties pursuant to its Articles of Incorporation and By-Laws, or this Declaration.

Section 2. Expansion of Common Area. Additions to the Common Area may be made in accordance with the terms of Article VII of this Declaration. The Declarant shall not be obligated, however, to make any such additions. Any and all such additions to the Common Area by Declarant must be accepted by the Association and such acceptance shall be conclusively presumed by the recording of a deed in the Public Records of Pinellas County by or on behalf of Declarant for any such Common Areas or the designation of such Common Areas on a plat duly recorded for any portion of the Properties. The Association shall be required, upon request of Declarant, to execute any documents necessary to evidence the acceptance of such Common Areas.

Section 3. Boundary Walls. The Declarant may construct a border wall along all or part of some or all of the publicly dedicated arterial and collector streets within the Properties or streets bounding its perimeter. Such walls (the "Boundary Walls") may be constructed either on dedicated rights of way, Common Areas or the Lots, or other land of Owners adjacent to such rights of way, and may include a combination of berming, landscaping and vegetation or other material to provide for buffering to the extent desired by Declarant. Whether or not located on Common Areas, the Association shall maintain and repair at its expense such Boundary Walls, if any.

Section 4. Easement for Maintenance. The Declarant hereby reserves to itself and grants to the Association, its agents and contractors a non-exclusive perpetual easement as to all land adjacent to streets within the Properties or streets bounding the perimeter thereof to the extent reasonably necessary to discharge the duties of Boundary Wall maintenance under this Declaration. Such right of entry shall be exercised in a peaceful and reasonable manner at reasonable times upon reasonable notice whenever the circumstances permit. The Declarant also hereby reserves for itself and the Association, and its and their grantees, successors, legal representatives and assigns, an easement for ingress and egress to, over and across the Properties for the purpose of exercising its and their rights and obligations under this Declaration.

Section 5. Reciprocal Easements. There shall be reciprocal appurtenant easements between the lands adjacent to either side of a Boundary Wall for lateral and subjacent support, and for encroachments caused by the unwillful placement, settling and shifting of any such walls as constructed, repaired or reconstructed.

Section 6. Irrigation. The Declarant may, but shall not be obligated to install irrigation and sprinkling equipment on Common Area, or within landscaped rights of way which the Association is obligated to maintain under this Declaration. The Association shall be obligated to maintain, operate, replace and repair such irrigation and sprinkling equipment at its own expense and such shall be a Common Expense.

### ARTICLE III - PROPERTY RIGHTS

Section 1. Owners' Easements of Enjoyment. Every Owner shall have a right and non-exclusive easement of enjoyment in and to the Common Area which shall be appurtenant to and shall pass with the title to every Lot, subject to the following provisions:

(a) The right of the Association from time to time in accordance with its Bylaws to establish, modify, amend, and rescind reasonable rules and regulations regarding use of the Common Area;

(b) The right of the Association to charge reasonable admission and other fees for use of any facilities situated upon the Common Area;

(c) The right of the Association to suspend the voting rights and right to use of the Common Area by an Owner for any period during which any regular annual assessment levied under this Declaration against his Lot remains unpaid for a period in excess of ninety (90) days, and for a period not to exceed sixty (60) days for any infraction of its published rules and regulations;

(d) The right of the Association to dedicate or transfer all or any part of the Common Area to any public agency, authority, or utility as provided by its Articles;

(e) The right of the Association to grant easements as to the Common Area or any part thereof as provided by its Articles; and,

(f) The right of the Association to otherwise deal with the Common Area as provided by its Articles.

Section 2. Delegation of Use. Any Owner may delegate, in accordance with the Bylaws, his right of enjoyment to the Common Area and facilities to the members of his family, his tenants, or contract purchasers provided the foregoing actually reside at the Owner's Lot.

Section 3. Prohibition of Certain Activities. No damage to, or waste of, the Common Area or any part thereof, shall be committed by any Owner or any tenant or invitee of any Owner. No noxious, destructive or offensive activity shall be permitted on or in the Common Area or any part thereof, nor shall anything be done thereon which may be or may become an unreasonable annoyance or nuisance to any other Owner. No Owner may maintain, treat, landscape, sod, or place or erect any improvement or structure of any kind on the Common Area without the prior written approval of the Board of Directors.

Section 4. Signs Prohibited. No sign of any kind shall be displayed in or on the Common Area without the prior written consent of the Board. This Section, however, shall not apply to the Declarant.

Section 5. Animals. No animals shall be permitted on or in the Common Area at any time except as may be provided in the Rules and Regulations of the Association.

Section 6. Rules and Regulations. No Owner or other permitted user shall violate the reasonable Rules and Regulations for the use of the Common Area, as the same are from time to time adopted by the Board.

Section 7. Title to Common Area. The Declarant shall convey title to any Common Area subject to such easements, reservations, conditions and restrictions as may then be of record.

Section 8. Easements Reserved in Common Area. The Declarant hereby reserves unto itself, its successors and assigns, whether or not expressed in the deed thereto, the right to grant easements over any of the Common Area for the installation, maintenance, replacement and repair of drainage, water, sewer, electric and other utility lines and facilities, provided such easements benefit land which is or will become part of the Properties. The Declarant shall further have the right, but without obligation, to install drainage, as well as water, sewer and other utility lines and facilities in, on, under and over the Common Area, provided such lines and facilities benefit land which is or will be within the Properties. The Association shall join in or separately execute any easements for the foregoing purposes which the Declarant shall direct or request from time to time.

Section 9. Easement for Lateral and Subjacent Support. There shall be an appurtenant easement between lands adjacent to the other side of a structure's wall for lateral and subjacent support and for encroachments caused by placement, settling and shifting of any such walls as constructed or reconstructed.

Section 10. Surface Water Management Systems, Lakes and Wet Retention Ponds. The Association shall be responsible for maintenance of all SWMS, ditches, canals, lakes, and water retention ponds in the Properties. All SWMS within the

Properties which are accepted by or constructed by the Association, excluding those areas (if any) normally maintained by Pinellas County or another governmental agency, or an Owner, will be the ultimate responsibility of the Association, which may enter any portion of the Common Areas and make whatever alterations, improvements or repairs that are deemed necessary to provide or restore property water management. The cost shall be a Common Expense. Nothing in this Section shall be construed to allow any person to construct any new water management facility, or to alter any storm management systems or conservation areas, without first obtaining the necessary permits from all governmental agencies having jurisdiction, including the Association.

(a) No structure of any kind (including docks) shall be constructed or erected in or on, nor shall an Owner other than Declarant in any way change, alter, impede, revise or otherwise interfere with the flow or volume of water in any portion of any water management area, including, but not limited to, lakes, ponds, swales, drainage ways, or wet retention ponds or areas intended for the accumulation of runoff waters, without the specific written permission of the Board of Directors.

(b) No Owner or other person or entity shall unreasonably deny or prevent access to water management areas for maintenance, repair, or landscaping purposes by Declarant, the Board of Directors, or any appropriate governmental agency that may reasonably require access. Nonexclusive easements therefore are hereby specifically reserved and created.

(c) No Lot, Parcel or Common Area shall be increased in size by filling in any lake, pond or other water retention or drainage areas which it abuts. No person shall fill, dike, rip-rap, block, divert or change the established water retention and drainage areas that have been or may be created without the prior written consent of the Association. No person other than the Declarant or the Association may draw water for irrigation or other purposes from any lake, pond or other water management area, nor is any boating, swimming, or wading in such areas allowed.

(d) All SWMS and conservation areas, excluding those areas (if any) maintained by Pinellas County or another governmental agency, will be the ultimate responsibility of the Association. The Association may enter any Lot, Parcel or Common Area and make whatever alterations, improvements or repairs are deemed necessary to provide, maintain, or restore proper SWMS. The cost shall be a Common Expense. **NO PERSON MAY REMOVE NATIVE VEGETATION THAT MAY BECOME ESTABLISHED WITHIN THE CONSERVATION AREAS. "REMOVAL" INCLUDES DREDGING, APPLICATION OF HERBICIDE, PULLING AND CUTTING.**

(e) Nothing in this Section shall be construed to allow any person to construct any new water management facility, or to alter any SWMS or conservation areas, without first obtaining the necessary permits from all governmental agencies having jurisdiction, including Southwest Florida Water Management District ("SWFWMD"), the Association and the Declarant, its successors and assigns.

(f) SWFWMD has the right to take enforcement measures, including a civil action for injunction and/or penalties, against the Association to compel it to correct any outstanding problems with the SWMS.

(g) If the Association ceases to exist, all of the Lot or Parcel Owners shall be jointly and severally responsible for operation and maintenance of the SWMS in accordance with the requirements of the Environmental Resource Permit, unless an alternate entity assumes responsibility.

LOTS MAY CONTAIN OR ABUT CONSERVATION AREAS WHICH ARE PROTECTED UNDER RECORDED CONSERVATION EASEMENTS. THESE AREAS MAY NOT BE ALTERED FROM THEIR PRESENT CONDITIONS EXCEPT IN ACCORDANCE WITH THE RESTORATION PROGRAM INCLUDED IN THE CONSERVATION EASEMENT, OR TO REMOVE EXOTIC OR NUISANCE VEGETATION, INCLUDING, WITHOUT LIMITATION, MELALEUCA, BRAZILIAN PEPPER, AUSTRALIAN PINE, JAPANESE CLIMBING FERN, CATTAILS, PRIMROSE WILLOW, AND GRAPE VINE. OWNERS ARE RESPONSIBLE FOR PERPETUAL MAINTENANCE OF SIGNAGE REQUIRED BY THE PERMIT ISSUED BY SWFWMD, WHICH MAINTENANCE SHALL BE PERFORMED TO THE GREATEST DEGREE LAWFUL BY THE ASSOCIATION.

Section 11. Proviso. Notwithstanding any other provision in this Declaration, no amendment of the governing documents by any person, and no termination or amendment of this Declaration, will be effective to change the Association's responsibilities for the SWMS or any conservation areas, unless the amendment has been consented to in writing by SWFWMD. Any proposed amendment which would affect the SWMS or any conservation areas must be submitted to SWFWMD for a determination of whether the amendment necessitates a modification of the surface water management permit.

#### ARTICLE IV - MEMBERSHIP AND VOTING RIGHTS

Section 1. Voting Rights. Every Owner of a Lot which is subject to assessment shall be a member of the Association, subject to and bound by the Association's Articles of Incorporation, Bylaws, Rules and Regulations, and this Declaration. The foregoing does not include persons or entities who hold a leasehold interest or an interest merely as security for the performance of an obligation. Ownership, as defined above, shall be the sole qualification for membership. When any Lot is owned of record by two or more persons or other legal entity, all such persons or entities shall be members. An Owner of more than one Lot shall be entitled to one membership for each Lot owned. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment, and it shall be automatically transferred by conveyance of that Lot. The Declarant shall be a member so long as it owns one or more Lots.

Section 2. Membership Classifications. The Association shall have two classes of voting membership, Class A, and Class B. All votes shall be cast in the manner provided in the Bylaws. The two classes of voting memberships, and voting rights related thereto, are as follows:

(a) Class A. Class A members shall be all Owners of Lots subject to assessment; provided, however, so long as there is Class B membership the Declarant shall not be a Class A member. When more than one person or entity holds an interest in any Lot, the vote for such Lot shall be exercised as such persons determine, but in no event shall more than the number of votes hereinafter designated be cast with respect to such Lot nor shall any split vote be permitted with respect to such Lot. Every Owner of a Lot within the Properties, who is a Class A member, shall be entitled to one (1) vote for that Lot.

(b) Class B. The Class B member of the Association shall be the Declarant until such Class B membership is converted to Class A at Declarant's option or as hereinafter set forth. Class B Lots shall be all Lots owned by the Declarant which have not been converted to Class A as provided below. The Declarant shall be entitled to three (3) votes for each Class B Lot which it owns.

(c) Termination of Class B. From time to time, Class B membership may cease and be converted to Class A membership, and any Class B Lots then subject to the terms of this Declaration shall become Class A Lots upon the happening of any of the following events, whichever occurs earliest:

- (i) When 75% of the Lots are conveyed to Owners, other than Declarant; or
- (ii) On December 31, 2010; or
- (iii) When the Declarant waives in writing its right to Class B membership.

Notwithstanding the foregoing, if at any time or times subsequent to any such conversion, additional land is added by the Declarant pursuant to Article X hereof, such additional land shall automatically be and become Class B Lots. In addition, if following such addition of land, the total votes allocable to all Lots then owned by the Declarant (calculated as if all such Lots are Class B, whether or not they are) shall exceed the remaining total votes outstanding in the remaining Class A membership (i.e., excluding the Declarant), then any Class A Lots owned by the Declarant shall automatically be reconverted to Class B. Any such reconversion shall not occur, however, if either occurrence (ii) or (iii) above shall have taken place.

## ARTICLE V - RIGHTS AND OBLIGATIONS OF THE ASSOCIATION

Section 1. Responsibilities. The Association, subject to the rights of the Owners set forth in this Declaration, shall be responsible for the exclusive management and control of the Common Area, and shall keep the same in good, clean and proper condition, order and repair. The Association shall also maintain and care for the land designated in Article II hereof, in the manner therein required. The Association shall be responsible for the payment of all costs, charges and expenses incurred in connection with the operation, administration and management of the Common Area, and performance of its other obligations hereunder.

Section 2. Manager. The Association may obtain, employ and pay for the services of an entity or person, hereinafter called the "Manager", to assist in managing its affairs and carrying out its responsibilities hereunder to the extent it deems advisable, as well as such other personnel as the Association shall determine to be necessary or desirable, whether such personnel are furnished or employed directly by the Association or by the Manager. Any management agreement must be terminable for cause upon thirty (30) days notice, be for a term not to exceed three (3) years, and be renewable only upon mutual consent of the parties.

Section 3. Personal Property for Common Use. The Association may acquire and hold tangible and intangible personal property and may dispose of the same by sale or otherwise, subject to such restrictions, if any, as may from time to time be provided in the Association's Articles or Bylaws.

Section 4. Insurance. The Association at all times shall procure and maintain adequate policies of public liability insurance, as well as other insurance that it deems advisable or necessary. The Association additionally shall cause all persons responsible for collecting and disbursing Association moneys to be insured or bonded with adequate fidelity insurance or bonds.

Section 5. Implied Rights. The Association may exercise any other right or privilege given to it expressly by this Declaration, its Articles or Bylaws, or by law and every other right or privilege reasonably implied from the existence of any right or privilege granted herein or therein or reasonably necessary to effectuate the exercise of any right or privileges granted herein or therein.

Section 6. Common Expense. The expenses and costs incurred by the Association in performing the rights, duties, and obligations set forth in this Article, are hereby declared to be Common Expenses and shall be paid by Class A members. All expenses of the Association in performing its duties and obligations or in exercising any right or power it has under this Declaration, the Articles of Incorporation or the Bylaws are deemed to be and are hereby Common Expenses. Common Expenses shall be borne by Class A members. Declarant's rights, duties and obligations are set forth in Article VI, Section 7 of this Declaration.

Section 7. Suspension of Use Rights; Levy of Fines. The Association may suspend for a reasonable period of time the rights of an Owner or an Owner's tenants, guests, or invitees, or both, to use the Common Areas and facilities and may levy reasonable fines, not to exceed One Hundred and no/100 Dollars (\$100.00) per violation per day for each day of a continuing violation not to exceed One Thousand and no/100 Dollars (\$1,000.00) in the aggregate, against any Owner or any tenant, guest or invitee for failure to comply with the provisions of this Declaration, the Articles, Bylaws or rules and regulations promulgated by the Association. A fine or suspension may be imposed only after giving such Owner, tenant, guest or invitee at least fourteen (14) days written notice and an opportunity for a hearing before a committee of at least three (3) members of the Association appointed by the Board of Directors who are not officers, directors, or employees of the Association, or the spouse, parent, child, brother, or sister of an officer, director or employee. The committee must approve a proposed fine or suspension by a majority vote. No suspension of the right to use the Common Area shall impair the right of an Owner or Owner's tenant to have vehicular ingress to and egress from such Owner's Lot, including, but not limited to, the right to park.

#### ARTICLE VI - COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation for Assessments. The Declarant, for each Lot within the Properties, hereby covenants, and each Owner of any Lot by acceptance of a deed or other conveyance thereto, whether or not it shall be so expressed in such deed or conveyance, is deemed to covenant and agrees to pay to the Association: (1) annual assessments or charges and charges for Common Expenses; and (2) special assessments or charges against a particular Lot as may be provided by the terms of this Declaration. Such assessments and charges, together with interest, costs and reasonable attorney's fees, shall be a charge on the land and shall be a lien upon the property against which such assessment is made. Each such assessment or charge, together with interest, costs, and reasonable attorney's fees shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used to promote the recreation, health, safety, and welfare of the residents of the Properties, and for the improvement and maintenance of the Common Area and the carrying out of the other responsibilities and obligations of the Association under this Declaration, the Articles and the Bylaws. Without limiting the generality of the foregoing, such funds may be used for the acquisition, improvement and maintenance of Properties, services and facilities related to the use and enjoyment of the Common Area, including the costs of repair, replacement and additions thereto; the cost of labor, equipment, materials, management and supervision thereof; the payment of taxes and assessments made or levied against the Common Area; the procurement and maintenance of insurance; the employment of attorneys, accountants and other

professionals to represent the Association when necessary or useful; the maintenance, landscaping and beautification of the Common Area and such public lands as may be designated by the Declarant or the Association; the maintenance, repair and replacement of Boundary Walls required or permitted to be maintained by the Association; the employment of security personnel to provide services which are not readily available from any governmental authority; and such other needs as may arise.

Section 3. Annual Assessment for Common Expenses.

(a) Initial Assessment. Until January 1 of the year immediately following the conveyance by the Declarant of the first Lot to an Owner, the maximum annual Common Expenses assessment per Lot shall be Six Hundred and no/100 Dollars (\$600.00), payable annually.

(b) Standard Increases. From and after January 1 of the year immediately following the conveyance by the Declarant of the first Lot to an Owner, the maximum annual assessment for Common Expenses as stated above may be increased each year not more than fifteen percent (15%) above the maximum assessment for the previous year without a vote of the Members.

(c) Special Increases. From and after January 1 of the year immediately following the conveyance by the Declarant of the first Lot to an Owner, the maximum annual assessment for Common Expenses may be increased above the increase permitted by subsection 3(b) above by a vote of two-thirds (2/3) of each class of Voting Members at a meeting duly called for this purpose.

(d) Duty of Board to Fix Amount. The Board of Directors may fix the annual assessment for Common Expenses at an amount not in excess of the maximum annual assessment rate established in this Section.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 5. Notice of Meeting and Quorum for Any Action Authorized Under Sections 3 and 4. Written notice of any members meeting called for the purpose of taking any action authorized under Section 3 and 4 of this Article shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At such meeting, the presence of members or of proxies entitled to cast a majority of all the votes of each class of membership shall constitute a quorum. If the

required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be the presence of members or of proxies entitled to cast one-third (1/3) of all the votes of each class of membership. No subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 6. For Class A lots, there shall be a capital contribution fee of an amount equal to two (2) months of assessment per Lot, which fee shall be paid by each initial purchaser of a newly constructed Dwelling at the time of closing and transfer of title on their Lot, to be used by the Association to establish an initial reserve account.

Section 7. Declarant's Common Expenses Assessment. Notwithstanding any provision of this Declaration or the Association's Articles or Bylaws to the contrary, as long as there is Class B membership in the Association, the Declarant shall not be obligated for, nor subject to any annual assessment for any Lot which it may own, provided Declarant shall be responsible for paying the difference between the Association's expenses of operation otherwise to be funded by annual assessments and the amount received from Owners, other than the Declarant, in payment of the annual assessments levied against their Class A Lots. Such difference shall be called the "deficiency", and shall not include any reserve for replacements, operating reserve, depreciation reserves, capital expenditures or special assessments. The Declarant may at any time, give thirty (30) days prior written notice to the Association terminating its responsibility for the deficiency, and waiving its right to exclusion from annual assessments. Upon giving such notice, or upon termination of Class B membership, whichever is sooner, each Lot owned by Declarant shall thereafter be assessed at twenty-five percent (25%) of the annual assessment established for Lots owned by Class A members other than Declarant. Declarant shall not be responsible for any reserve for replacements, operating reserves, depreciation reserves, capital expenditures or special assessments. Such assessment shall be prorated as to the remaining months of the year, if applicable. Declarant shall be assessed only for Lots which are subject to the operation of this Declaration. Upon transfer of title of a Lot owned by Declarant, the Lot shall be assessed in the amount established for Lots owned by Owners other than the Declarant, prorated as of and commencing with, the month following the date of transfer of title. Notwithstanding the foregoing, any Lots from which the Declarant derives any rental income, or holds an interest as mortgagee or contract Seller, shall be assessed at the same amount as Lots owned by Owners other than the Declarant, prorated as of and commencing with, the month following the execution of the rental agreement or mortgage, or the contract purchaser's entry into possession as the case may be.

Section 8 Exemption from Assessments. The assessments, charges and liens provided for or created by this Article VI shall not apply to the Common Area or any other Homeowner's Association, any property dedicated to and accepted for maintenance by a public or governmental authority or agency, any property owned by a

public or private utility company or public or governmental body or agency, and any property owned by a charitable or non-profit organization.

Section 9. Date of Commencement of Annual Assessments: Due Dates. The annual assessments for Common Expenses shall commence as to all Lots subject thereto upon the conveyance of the first lot from the Declarant to its purchaser. The Board of Directors shall fix the amount of the annual assessment for Common Expenses against each Lot not later than December 1 of each calendar year for the following calendar year. Written notice of the annual assessment for Common Expenses shall be sent to every Owner subject hereto. Unless otherwise established by the Board of Directors, annual assessments for Common Expenses shall be collected on an annual basis. The due date for special assessments shall be as established by the Board of Directors.

Section 10. Lien for Assessments. All sums assessed to any Lot pursuant to this Declaration, including those owned by the Declarant, together with interest and all costs and expenses of collection, including reasonable attorney's fees, shall be secured by a continuing lien on such Lot in favor of the Association.

Section 11. Effect of Nonpayment of Assessments: Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the date of delinquency at the maximum rate allowed by law. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Lot. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area, or abandonment of his Lot.

Section 12. Foreclosure. The lien for sums assessed pursuant to this Declaration may be enforced by judicial foreclosure by the Association in the same manner in which mortgages on real property may be foreclosed in Florida. In any such foreclosure, the Owner shall be required to pay all costs and expenses of foreclosure, including reasonable attorney's fees. All such costs and expenses shall be secured by the lien being foreclosed. The Owner shall also be required to pay to the Association any assessments against the Lot which shall become due during the period of foreclosure, and the same shall be secured by the lien foreclosed and accounted for as of the date the Owner's title is divested by foreclosure. The Association shall have the right and power to bid at the foreclosure or other legal sale to acquire the Lot foreclosed, and thereafter to hold, convey, lease, rent, encumber, use and otherwise deal with the same as the owner thereof.

Section 13. Homestead. By acceptance of a deed thereto, the Owner and spouse thereof, if married, of each Lot shall be deemed to have waived any exemption from liens created by this Declaration or the enforcement thereof by foreclosure or otherwise, which may otherwise have been available by reason of the homestead exemption provisions of Florida law, if for any reason such are applicable. This Section

is not intended to limit or restrict in any way the lien or rights granted to the Association by this Declaration, but to be construed in its favor.

Section 14. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage which is given to or held by an Institutional Lender, or which is guaranteed or insured by the FHA or VA. The sale or transfer of any Lot pursuant to foreclosure of such a first mortgage or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof. The Association shall, upon written request, report to any such first mortgagee of a Lot any assessments remaining unpaid for a period longer than thirty (30) days after the same shall have become due, and shall give such first mortgagee a period of thirty (30) days in which to cure such delinquency before instituting foreclosure proceedings against the Lot; provided, however, that such first mortgagee first shall have furnished to the Association written notice of the existence of its mortgage, which notice shall designate the Lot encumbered by a proper legal description and shall state the address to which notices pursuant to this Section are to be given. Any such first mortgagee holding a lien on a Lot may pay, but shall not be required to pay, any amounts secured by the lien created by this Article VI. Mortgagees are not required to collect assessments.

Section 15. Special Assessment for Maintenance Obligations of Owners. In the event an Owner obligated to maintain, replace or repair a Lot or Dwelling, pursuant to this Declaration shall fail to do so, or should an Owner fail to perform any maintenance, repair or replacement required under the terms of this Declaration, the Association, upon ten (10) days prior written notice sent certified or registered mail, return receipt requested, or hand delivered, may have such work performed, and the cost thereof shall be specially assessed against such Lot, which assessment shall be secured by the lien set forth in Section 10 of this Article VI.

Section 16. Certificate of Amounts Due. The Association shall upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a Lot shall be binding upon the Association as of the date of issuance.

Section 17. Cable Television. Declarant may, but shall not be obligated to, coordinate and establish an agreement with one or more cable television service companies for the provision of cable television services to the community and all Dwellings included therein. If such agreement is established, the fees for the cable television service payable to the service provider shall be a common expense payable by the Association and shall be included within the annual budget for which the assessments are levied each year. No Owner may avoid or escape liability for any portion of the assessments by election not to utilize the cable television service.

Section 18. Visual Security. Declarant may, but shall not be obligated to, coordinate and establish an agreement with one or more cable television service companies for the provision of a visual security service channel to the community and all Dwellings included therein. If such agreement is established, the fees for the visual security service channel payable to the service provider shall be a common expense payable by the Association and shall be included within the annual budget for which the assessments are levied each year. No Owner may avoid or escape liability for any portion of the assessments by election not to utilize the visual security service channel.

Section 19. Community Bulletin Board. Declarant may, but shall not be obligated to, coordinate and establish an agreement with one or more cable television service companies for the provision of a community bulletin board channel to the community and all Dwellings included therein. If such agreement is established, the fees for the community bulletin board channel payable to the service provider shall be a common expense payable by the Association and shall be included within the annual budget for which the assessments are levied each year. No Owner may avoid or escape liability for any portion of the assessments by election not to utilize the community bulletin board channel.

#### ARTICLE VII - PLAN OF DEVELOPMENT

Section 1. General Plan of Development. The Declarant has on file at its business office, presently located at 2963 Gulf to Bay Boulevard, #265, Clearwater, Florida, a copy of the general plan of development (the "General Plan") for the land which is subject to this Declaration, showing a general indication of the size and location of developments; the approximate size and location of Common Area, if any; and the general nature of any proposed Common Area facilities and improvements, if any. Such General Plan shall not bind the Declarant to make any such Common Areas or adhere to the General Plan. Such General Plan may be amended or modified by the Declarant, in whole or in part, at any time, or discontinued. As used herein, the term "General Plan" shall mean such general plan of development together with any amendments or modifications thereof hereafter made.

Section 2. Acceptance of Land. In the event that the Declarant conveys, from time to time, any portion or portions of the real property contained within the real property described in **Exhibit "A"** attached hereto to the Association, the Association is irrevocably bound to accept such conveyance.

#### ARTICLE VIII - USE RESTRICTIONS

Section 1. Residential Use. All of the Property shall be known and described as residential property and no more than one detached, single-family Dwelling may be constructed on any Lot, except that more than one Lot may be used for one Dwelling, in which event, all restrictions shall apply to such Lots as if they were a single Lot, subject

to the easements indicated on the Plat and the easement reserved in Section 4 of this Article. Notwithstanding the foregoing, if more than one Lot is used for one Dwelling, each Lot shall be assessed separately and treated as separate and individual Lots for the purpose of assessments for Common Expenses as set forth in Article VI above.

Section 2. Structures. All Structures shall be erected pursuant to the Zoning and Land Use Designation(s) assigned to the Property by the City of Seminole, and the City of Seminole Residential Infill Guidelines, if required. The term "Structure" shall have the meaning ascribed by such Zoning and Land use Designations and Residential Infill Guidelines.

Section 3. Dwelling. No Dwelling shall have a floor square foot area of less than three thousand (3,000) square feet, exclusive of screened area, open porches, terraces, patios and garages. All Dwellings shall have at least three (3) inside baths. A "bath", for the purposes of this Declaration, shall be deemed to be a room containing at least one (1) shower or tub, and a toilet and wash basin. All Dwellings shall have at least a three (3) car garage attached to and made part of the Dwelling. All Dwellings shall have either brick, stone detail, stucco detail, moulding, arches or porticos on the exterior walls of the Dwelling. All exterior elevations are to be approved by the DRB. Roofing materials shall be Cement tile or 30-year Dimensional Shingle. No Dwelling shall exceed two and one-half (2 1/2) stories nor thirty-five (35) feet in height. All Dwellings shall be constructed with concrete driveways and grassed front, side and rear lawns, provided that Lot areas designated on the Plat for drainage easement purposes need not be grassed. Each Dwelling shall have a shrubbery planting in front of the Dwelling, as per Landscape Requirements set forth in Design Review Standards Manual.

Section 4. Easements.

(a) Perpetual easements for the installation and maintenance of utilities and drainage areas are hereby reserved to Declarant, Association and Pinellas County in and to all utility easement and drainage easement areas shown on the Plat (which easements shall include, without limitation, the right of reasonable access over Lots to and from the easements areas), and Declarant, Association and Pinellas County each shall have the right to convey such easements on an exclusive or non-exclusive basis to any person, corporation or governmental entity. Neither the easement rights reserved pursuant to this Section or as shown on the Plat shall impose any obligation on Declarant to maintain such easement areas, nor to install or maintain the utilities or improvements that may be located on, in or under such easements, or which may be served by them. Within easement areas, no structure, planting, or other material shall be placed or permitted to remain which may damage or interfere with access to or the installation of the use and maintenance of the easement areas or any utilities or drainage facilities, or which may change the direction of flow or obstruct or retard the flow of drainage water in any easement areas, or which may reduce the size of any water retention areas constructed by Declarant in such easement areas. The

easement areas of each Lot, whether as reserved hereunder or as shown on the Plat, and all improvements in such easement areas shall be maintained continuously by the Owner of the Lot upon which such easement exists, except for those improvements for which a public authority or utility company is responsible. With regard to specific easements for drainage shown on the Plat, the Declarant shall have the right, without any obligation imposed thereby, to alter or maintain drainage facilities in such easement areas, including slope control areas.

(b) The Declarant may designate certain areas of the Properties as "Drainage Easements" on the final plat. No permanent Improvements or structures shall be placed or erected upon the Drainage Easements. In addition, no fences, driveways, pools and decks, patios, air conditioners, any impervious surface improvements, utility sheds, sprinkler systems, trees, shrubs, hedges, plants or any other landscaping element other than sod shall be placed or erected upon or within such Drainage Easements. This Paragraph shall not apply to Declarant if such improvements by it are approved by Pinellas County.

(c) The Declarant, for itself and its successors and assigns and for the Association hereby reserves an easement five (5) feet wide running along the rear or side lot line, as the case may be, of any Lot which is parallel to and adjacent to any arterial and/or collector roads and streets for the purpose of construction of a privacy wall or fence and name monuments for the Properties. Once such wall or fence or monuments, or both, have been erected, the Association shall have the obligation, at the Association's expense, which shall be a Common Expense, to maintain, repair and replace the exterior portions of such wall or fence and monuments in a neat and aesthetic condition. The Declarant hereby grants the Association a non-exclusive perpetual easement as to all Lots to the extent necessary to permit the Association to undertake such boundary wall maintenance and painting as it may be responsible for pursuant to this Declaration. Lot Owners other than Declarant shall not alter or modify such boundary wall, including, without limitation, the color of such boundary wall.

(d) Association and Owners consent hereby to an easement for utilities, including but not limited to telephone, gas, water and electricity, sanitary sewer service, and irrigation and drainage in favor of all lands which abut the Properties, their present Owners and their successors and assigns. The easement set forth in this Section shall include the right to "tie in", join and attach to the existing utilities, sanitary sewer service, irrigation and drainage in the Properties so as to provide access to these services to said abutting lands directly from the Properties.

(e) The Association shall have the right to create new easements for pedestrian and vehicular traffic and utility services across and through the Properties; provided, however, that the creation thereof does not adversely affect the use of any Lot.

(f) The creation of new easements as provided for in this Section shall not unreasonably interfere with ingress to and egress from a Lot or residence thereon.

(g) In the event that any structure or improvement on any Lot shall encroach upon any of the Common Areas or upon any other Lot for any reason other than the intentional or negligent act of the Owner, or in the event any Common Area shall encroach upon any Lot, then an easement shall exist to the extent of such encroachment for so long as the encroachment shall exist.

(h) Notwithstanding anything in this Section to the contrary, no easement granted by this Section shall exist under the outside perimetrical boundaries of any residential structure or recreational building originally constructed by the Declarant on any portion of the Properties.

Section 5. Use of Accessory Structures. Other than the Dwelling and its attached garage, no tent, shack, barn, utility shed or building shall, at any time, be erected and used on any Lot temporarily or permanently, whether as a residence or for any other purpose without the prior written consent of the Design Review Board; provided, however, temporary buildings, mobile homes, or field construction offices may be used by Declarant and its agents in connection with construction work. No recreation vehicle may be used as a residence or for any other purpose on any of the Lots in the Properties.

Section 6. Commercial Uses and Nuisances. No trade, business, profession or other type of commercial activity shall be carried on upon any Lot, except as hereinafter provided for Declarant and except that real estate brokers, Owners and their agents may show Dwellings for sale or lease; nor shall anything be done on any Lot which may become a nuisance, or an unreasonable annoyance to the neighborhood. Every person, firm or corporation purchasing a Lot recognizes that Declarant, its agents or designated assigns, have the right to (i) use Lots or houses erected thereon for sales offices, field construction offices, storage facilities, general business offices, and (ii) maintain fluorescent lighted or spotlight furnished model homes in the Properties open to the public for inspection seven (7) days per week for such hours as are deemed necessary. Declarant's rights under the preceding sentence shall terminate on December 31, 2010, unless prior thereto Declarant has indicated its intention to abandon such rights by recording a written instrument among the Public Records of Pinellas County, Florida. It is the express intentions of this Section that the rights granted Declarant to maintain sales offices, general business offices and model homes shall not be restricted or limited to Declarant's sales activity relating to the Properties, but shall benefit Declarant in the construction, development and sale of such other property and Lots which Declarant may own.

Section 7. Animals. No animals, livestock, or poultry of any kind shall be raised, bred, or kept on any Lot, except that cats, dogs, and other household pets may be kept provided they are not kept, bred, or maintained for any commercial purposes;

provided further that no person owning or in custody of a dog or cat shall allow the dog or cat to stray or go upon another Lot without the consent of the Owner of such Lot; and provided further that no more than a total of three (3) animals may be kept on any Lot, with no more than two (2) dogs within the allowed three (3) animals for each Lot. All animals kept on a Lot shall be domestic household pets. Each dog or cat must be on a leash and in full physical control by the Owner or Owner's family member at all times when the dog or cat is outside of the Owner's Dwelling. No pets shall be permitted to place or have excretions on any portion of the Property other than the Lot of the owner of the pet unless the owner of the pet physically removes any such excretions from that portion of the Property. Notwithstanding anything herein to the contrary, if any dog or cat permitted to be kept by an Owner shall become a nuisance to other Owners and such nuisance is not corrected after written notice to the Owner, the Board of Directors of the Association shall have the right to require the Owner to remove such animal permanently from the Properties. The Board of Directors shall have the right to approve or disapprove any and all types and sizes of animals to be kept in or on any Lot within Thurston Groves.

Section 8. Fences, Walls and Hedges. Except as to fences, walls or hedges originally constructed or planted by Declarant or Builder, if any, no fences, walls or hedges of any nature may be erected, constructed or maintained upon any Lot within any areas of a Lot designated as "areas where fences are prohibited" in Exhibit "E"; provided, however, that no fence, wall or hedge shall be erected or permitted on a Lot in any location thereon where Declarant has erected a privacy fence or monument as provided in Subsection 4(c) of this Article. As to any fence, wall or hedge erected or maintained pursuant to this Paragraph, such fence, wall or hedge may be constructed or maintained to a height not to exceed five (5) feet. Any fence, wall or hedge which abuts, runs along, intersects with or joins the boundary of any pond, lake, water body, or common area shall not exceed thirty-six (36) inches in height from the ground, and shall be constructed of green vinyl coated chain link, which may be planted with landscaping materials. Such fences must be kept in good condition and repair. No fence, wall or hedge may be constructed or maintained between a Front Street Line and the Front Dwelling Line. Notwithstanding the foregoing, a decorative wall or entrance forward of the Front Dwelling Line or forward of a Side Dwelling Line fronting a Side Street Line shall be permitted if constructed at the same time as the original Dwelling on the Lot as part of the Dwelling's elevation or design. Construction or planting of any fence, wall or hedge, including materials used, must be approved in accordance with Article IX of this Declaration.

Section 9. Vehicles. No motor vehicles shall be parked on the Properties except on a paved or concrete driveway or in a garage. No motor vehicles which are primarily used for commercial purposes, other than those present on business, nor any trailers, may be parked on the Properties unless inside a garage and concealed from public view. Boats, boat trailers, campers, commercial trucks, commercial vans, motorcycles and other recreational vehicles shall be parked inside of garages and concealed from public view.

Section 10. Storage. No Lot shall be used for the storage of rubbish. Trash, garbage or other waste shall not be kept except in sanitary containers properly concealed from public view.

Section 11. Clothes Hanging and Drying. All outdoor clothes hanging and drying activities shall be done in a manner so as not to be visible from any Front Street or Side Street or any adjacent or abutting property and are hereby restricted to the areas between the Rear Dwelling Line and the Rear Yard Line and, in the cases of Lots bordering a Side Street, to that portion of the aforescribed area which is not between the Side Street and the Side Dwelling Line.

Section 12. Antennas and Roof Structures. No television, radio, or other electronic towers, aerials, antennas, satellite dishes or devices of any type for the reception or transmission of radio or television broadcasts or other means of communication shall hereafter be erected, constructed, placed or permitted to remain on any Lot or upon any Improvements thereon, except that this prohibition shall not apply to those antennas specifically covered by 47 C.F.R. Part 1, Subpart S, Section 1.4000 (or any successor provision) promulgated under the Telecommunications Act of 1996, as amended from time to time. The Association shall be empowered to adopt rules governing the types of antennas that are permissible hereunder and establishing reasonable, non-discriminatory restrictions relating to safety, location and maintenance of antennas.

To the extent that reception of an acceptable signal would not be impaired, an antenna permissible pursuant to rules of the Association may only be installed in a side or rear yard location, not visible from the street or neighboring property, and integrated with the Dwelling and surrounding landscape. Antennas shall be installed in compliance with all state and local laws and regulations, including zoning, land use, and building regulations.

Section 13. Street Lighting. In accordance with Article I, Section 7 and Article II, Section 1, hereof, the cost of street lighting shall be a common expense of the Association.

Section 14. Lot and Dwelling Upkeep. All Owners of Lots with completed Dwellings thereon shall, as a minimum, have the grass regularly cut and all trash and debris removed. The Owner of each Lot shall maintain the Dwelling located thereon in good repair, including, but not limited to the exterior paint and appearance of the Dwelling. If an Owner of a Lot fails, in the Board's sole discretion, to maintain their Lot or Dwelling as required herein, the Board, after giving such Owner at least ten (10) days written notice, is hereby authorized, but shall not be hereby obligated, to maintain that Lot and said Owners shall reimburse Association for actual costs incurred therewith within fifteen (15) days of receipt of written notice from the Association to such Owner. If the Owner fails to reimburse the Association within such fifteen day period, the costs

of such work performed or caused to be performed by the Association shall become a lien against such Owner's Lot pursuant to Section 15, Article VI of this Declaration.

Section 15. Window Treatments. No newspaper, aluminum foil, reflective film, nor any other material, other than usual and customary window treatments, shall be placed over the windows of any Dwelling. No reflective or mirrored glass shall be used on, in or for the windows or doors of any Dwelling. Tinted windows or doors may be permitted if first approved in writing by the Design Review Board, in its discretion, taking into account the degree of tinting, color and the aesthetics of the Improvements involved.

Section 16. Signs. No sign, billboard or advertising of any kind shall be displayed to public view on any of the Properties without the prior written approval of the Design Review Board. Any such request submitted to the Design Review Board shall be made in writing, accompanied by a drawing or plan for one (1) discreet professionally prepared sign not to exceed twenty four (24) inches in width and eighteen (18) inches in height, to be attached to a 2 x 4 no higher than four (4) feet from the ground. Such sign shall contain no other wording than "For Sale" or "For Rent", the name, address and telephone number of one (1) registered real estate broker, or a telephone number of an Owner or his agent. In no event shall more than one (1) sign ever be placed on any Lot. Notwithstanding the foregoing provisions, the Declarant specifically reserves the right, for itself and its agents, employees, nominees and assigns the right, privilege and easement to construct, place and maintain upon the Properties such signs as it deems appropriate in connection with the development, improvement, construction, marketing and sale of any of the Properties. Except as hereinabove provided, no signs or advertising materials displaying the names or otherwise advertising the identity of contractors, subcontractors, real estate brokers or the like employed in connection with the construction, installation, alteration or other improvement upon or the sale or leasing of the Properties shall be permitted.

Section 17. Trees. No Owner shall remove, damage, trim, prune or otherwise alter any tree in the Properties, the trunk of which tree is eight (8) inches or more in diameter at a point twenty-four (24) inches above the adjacent ground level, except as follows:

- (a) With the express written consent of the Association.
- (b) With the express permission of the City of Seminole, including, but not limited, to obtaining any licenses required by the City or Pinellas County.
- (c) If the trimming, pruning or other alteration of such tree is necessary because the tree or a portion thereof creates an eminent danger to person or property and there is not sufficient time to contact the Association for their approval.

(d) Notwithstanding the foregoing limitation, an Owner may perform, without the express written consent of the Association, normal and customary trimming and pruning of any such tree, the base or trunk of which is located on said Owner's Lot, provided such trimming or pruning does not substantially alter the shape or configuration of any such tree or would cause premature deterioration or shortening of the life span of any such tree.

(e) It is the express intention of this Section 17 that the trees existing on the Properties at the time of the recording of this Declaration, and those permitted to grow on the Properties after said time, be preserved and maintained as best as possible in their natural state and condition. Accordingly, these provisions shall be construed in a manner most favorable to the preservation of that policy and intent.

Section 18. Construction Restrictions. The erection, placement, construction and installation of all Improvements shall be subject and governed by the following:

(a) Approved Plans. All Improvements must be constructed in accordance with detailed plans prepared under the supervision of and sealed by architects and landscape architects licensed and registered in the State of Florida in conformance with all applicable Governmental Regulations and approved by the Design Review Board prior to the commencement of construction, as more particularly provided in Article IX of this Declaration.

(b) Governmental Regulations. All Improvements placed, located, erected, constructed and installed upon Lots shall conform to and comply with all applicable Governmental Regulations, including, without limitation, all building and zoning regulations of the County.

(c) Design Standards Manual. All Improvements shall be placed, located, erected, constructed, installed and maintained on Lots in conformance with this Declaration and the Design Standards Manual for which provision is made in Article IX of this Declaration, as the same may be changed, amended or modified from time to time.

(d) Construction. The construction of all Dwellings and Improvements on Lots must be performed by such contractors and subcontractors as are licensed in the State of Florida and/or the county to engage in the business of residential building and construction.

(e) Construction Time. Unless otherwise approved by the Design Review Board in writing, construction of Dwellings and other Improvements must be commenced not later than six (6) months from the date that the Design Review Board issues its written approval of the final plans therefore. If construction shall not commence within such six (6) month period, the plans for any proposed construction must once again be reviewed and approved by the Design Review Board in accordance

with the provisions of Article IX of this Declaration, and any prior approval of the same by the Design Review Board shall no longer be binding on the Design Review Board. Upon commencement of construction, such construction shall be pursued diligently, continuously and without interruption to completion within a reasonable time, but in no event more than one (1) year from the date of commencement of such construction. However, the Design Review Board shall have the power and authority to extend the period permitted for completion of construction, as aforesaid, provided that the Owner and contractor involved make written application for such extension stating the reasons for the requested extension of time and provided further that the Design Review Board, in the exercise of its reasonable discretion, determines that the request is reasonable and the extension is warranted.

(f) Prior to completion of construction, the Owner shall have installed, at his expense, a suitable concrete driveway from the paved portion of the abutting roadway to his Lot and shall remove the curbing at the edge of the paved portion of the abutting roadway to the extent necessary for entrance into the driveway and replace same with suitable valley curb or gutter so as to provide for entrance into the driveway and also proper and continued drainage along the edge of the paved portion of the roadway. The design and type of material for each such driveway and curb or gutter shall first be approved by the Design Review Board in writing and the subsurface of the portion of the driveway between the Lot and the paved portion of the abutting roadway as well as the replacement curb or gutter shall be installed prior to commencement of any construction and prior to delivery of construction materials to the Lot.

(g) During construction on any Lot, all vehicles involved in such construction, including those delivering materials and supplies, shall enter upon such Lot from the roadways only over the installed replacement curb or gutter and driveway subsurface, and such vehicles shall not be parked at any time on the roadway or upon any property other than the Lot on which the construction is proceeding.

(h) A swimming pool may not be located in the Front Yard of any Lot. Above ground swimming pools are prohibited.

(i) Awnings, Shutters and Window and Door Coverings. No window or door of any building or other Improvement constructed upon Lots shall be covered by any awnings, canopies, shutters, or similar type window coverings; except such as may be required for protection from storms and only then during the period of any such storm. Nor shall any such windows or doors be covered by or coated with any foil or other reflecting or mirrored materials. The foregoing restrictions shall not be considered as a prohibition against decorative exterior shutters located to the side of window or door openings or as a prohibition against suitable decorative awnings located over or above window or door openings, provided the same are approved in writing by the Design Review Board prior to their installation.

(j) Irrigation Systems. All landscaped and grassed open areas on Lots shall be irrigated by means of an automatic underground irrigation or sprinkling system capable of regularly and sufficiently irrigating all lawns and plantings within such open areas. The plans and specifications for each such irrigation or sprinkling system shall be included in and submitted with and reviewed and approved by the Design Review Board as part of the landscape plan required pursuant to the provisions of this Declaration. Such irrigation or sprinkling system shall be installed prior to or simultaneously with the implementation of the landscape plan approved by the Design Review Board, but in any event within the time provided in this Declaration for the installation of landscaping.

(k) Artificial Vegetation. No artificial vegetation shall be permitted on the exterior of any building on Lots.

Section 19. Amendments and Modifications by Declarant. Notwithstanding any provisions of this Declaration to the contrary, Declarant, its successors and designated assigns, reserves the right and authority, so long as Declarant owns a Lot within the Properties, to amend, modify or grant exceptions or variances from any of the Use Restrictions set forth in this Article VIII without notice to or approval by other Lot Owners, provided that such amendments, modifications, exceptions or variances shall be substantially consistent with the general uniform plan of residential development. All amendments, modifications, exceptions or variances increasing or reducing the minimum square foot area of Dwellings, pertaining to fence size, location or composition, or pertaining to the location of structures on a Lot shall be conclusively deemed to be within the authority and right of Declarant under this Section.

#### ARTICLE IX - ARCHITECTURAL CONTROL

Section 1. Members of Committee. The Design Review Board shall consist of three (3) members. The initial members of the Design Review Board shall consist of persons designated by the Declarant from time to time. Each of said persons shall hold office until all Lots planned for the Properties have been conveyed, or sooner at the option of the Declarant. Thereafter, each new member of the Design Review Board shall be appointed by the Board of Directors and shall hold office until such time as such person has resigned or has been removed or a successor has been appointed, as provided herein. Members of the Design Review Board may be removed at any time without cause. The Board of Directors shall have the right to appoint and remove all members of the Design Review Board.

Section 2. Purpose and Function of Design Review Board. The purpose and function of the Design Review Board shall be to (a) create, establish, develop, foster, maintain, preserve and protect within THURSTON GROVES a unique, pleasant, attractive and harmonious physical environment grounded in and based upon a uniform plan of development and construction with consistent architectural and landscape standards, and (b) review, approve and control the design of any and all buildings,

structures, signs and other Improvements of any kind, nature or description, including landscaping and the color of paint for exterior walls of any Improvements, including without limitation, fences and boundary walls, to be constructed or installed upon all Properties and all Common Area within THURSTON GROVES. Neither the Declarant nor the Design Review Board, or any of its members, shall have any liability or obligation to any person or party whomsoever or whatsoever to check every detail of any plans and specifications or other materials submitted to and approved by it or to inspect any Improvements constructed upon Properties or Common Area to assure compliance with any plans and specifications approved by it or to assure compliance with the provisions of the Design Review Standards Manual for THURSTON GROVES or this Declaration.

Section 3. All Improvements Subject to Approval. No buildings, structures, walls, fences, pools, patios, paving, driveways, sidewalks, signs, landscaping, planting, irrigation, landscape device or object, or other Improvements of any kind, nature or description, whether purely decorative, functional or otherwise, shall be commenced, constructed, erected, made, placed, installed or maintained upon any of the Properties or Common Area, nor shall any change or addition to or alteration or remodeling of the exterior of any previously approved buildings, structures, or other Improvements of any kind, including, without limitation, the painting of the same (other than painting, with the same color and type of paint which previously existed) shall be made or undertaken upon any Properties or Common area except in compliance and conformance with and pursuant to plans and specifications therefore which shall first have been submitted to and reviewed and approved in writing by the Design Review Board.

Section 4. Standards for Review and Approval. Any such review by and approval or disapproval of the Design Review Board shall take into account the objects and purposes of this Declaration and the purposes and function of the Design Review Board. Such review by and approval of the Design Review Board shall also take into account and include the type, kind, nature, design, style, shape, size, height, width, length, scale, color, quality, quantity, texture and materials of the proposed building, structure or other Improvement under review, both in its entirety and as to its individual or component parts, in relation to its compatibility and harmony with other, contiguous, adjacent and nearby structures and other Improvements and in relation to the topography and other physical characteristics of its proposed location and in relation to the character of the THURSTON GROVES community in general. The Design Review Board shall have the right to refuse to give its approval to the design, placement, construction, erection or installation of any Improvement on Properties or Common Area which it, in its sole and absolute discretion, deems to be unsuitable, unacceptable or inappropriate for THURSTON GROVES.

Section 5. Design Standards and Design Review Standards Manual for THURSTON GROVES. The Design Review Board shall develop, adopt, promulgate, publish and make available to all Owners and others who may be interested, either directly or through the Association, at a reasonable charge, and may from time to time

change, modify and amend, a manual or manuals setting forth detailed architectural and landscape design standards, specifications and criteria to be used by the Design Review Board as a guide or standard for determining compliance with this Declaration and the acceptability of those components of development, construction and improvement of any Properties or Common Area requiring review and approval by the Design Review Board. Until the Declarant's delegation of the architectural and landscape review and control functions to the Association, any such Design Review Standards Manual must be approved by the Declarant in writing prior to its adoption and promulgation. Any such single Design Review Standards Manual or separate Architectural Design Review Standards Manual and separate Landscape Design Standards Manual may include a detailed interpretation or explanation of acceptable standards, specifications and criteria for a number of typical design elements, including, without limitation, site planning, architectural design, building materials, building construction, landscaping, irrigation, and such other design elements as the Design Review Board shall, in its discretion, determine. Such Design Review Standards Manual shall be used by the Design Review Board and other affected persons only as a guide and shall not be binding upon the Design Review Board in connection with the exercise of its review and approval functions and ultimate approval or refusal to approve plans and specifications submitted to it pursuant to this Declaration.

Section 6. Procedure for Design Review. The Design Review Board shall develop, adopt, promulgate, publish and make available to all Owners, their architects and contractors and others who may be interested, either directly or through the Association, at a reasonable charge, and either included within or separate and apart from the Design Review Standards Manual, reasonable and practical rules and regulations governing the submission of plans and specifications to the Design Review Board for its review and approval. Unless such rules and regulations are complied with in connection with the submission of plans and specifications requiring review and approval by the Design Review Board, plans and specifications shall not be deemed to have been submitted to the Design Review Board. Additionally, the Design Review Board shall be entitled, in its discretion, to establish, determine, charge and assess a reasonable fee in connection with and for its review, consideration and approval of plans and specifications pursuant to this Article, taking into consideration actual costs and expenses incurred during the review process, including the fees of professional consultants, if any, to and members of the Design Review Board, as well as taking into account the costs and expenses associated with the development, formulation and publication of any Design Review Standards Manual adopted by the Design Review Board pursuant to this Declaration. The initial Design Review Fee shall be One hundred Dollars (\$100.00). However, such Design Review Fee may be increased or decreased by the Design Review Board from time to time.

Section 7. Time Limitation on Review. The Design Review Board shall either approve or disapprove any plans, specifications or other materials submitted to it within thirty (30) days after the same have been duly submitted in accordance with any rules and regulations regarding such submission as shall have been adopted by the Design

Review Board. The failure of the Design Review Board to either approve or disapprove the same within such thirty (30) day period shall be deemed to be and constitute an approval of such plans, specifications and other materials; subject, however, at all times to the covenants, conditions, restrictions and other requirements contained in this Declaration and also subject to the provisions of the Design Review Standards Manual.

Section 8. Duration of Approval. Any approval of plans, specifications and other materials, whether by the Design Review Board or by the Declarant or the Board of Directors of the Association following appeal, shall be effective for a period of six (6) months from the effective date of such approval. If construction or installation of the building, structure or other Improvement for which plans, specifications and other materials have been approved, has not commenced within said six (6) month period, such approval shall expire, and no construction shall thereafter commence without a resubmission and approval of the plans, specifications and other materials previously approved. The prior approval shall not be binding upon the Design Review Board on resubmission in any respect.

Section 9. Inspection of Construction. Any member of the Design Review Board or any officer, director, employee or agent of the Declarant or Association may, but shall not be obligated to, at any reasonable time, enter upon, without being deemed guilty of trespass, any Properties or Common Area and any building, structure or other Improvement located thereon, in order to inspect any building, structure or other Improvement constructed, erected or installed or then being constructed, erected or installed thereon in order to ascertain and determine whether or not any such building, structure or other Improvement has been or is being constructed, erected, made, placed or installed in compliance with this Declaration and the plans, specifications and other materials approved by the Design Review Board.

Section 10. Evidence of Compliance. Upon a request therefore from, and at the expense of, any Owner upon whose Lot the construction, erection, placement or installation of any building, structure or other Improvement has been completed or is in the process, the Design Review Board shall cause an inspection of such Lot and the Improvements then located thereon to be undertaken within thirty (30) days, and if such inspection reveals that the buildings, structures or other Improvements located on such Lot are in compliance with plans, specifications and other materials approved by the Design Review Board, the Design Review Board shall direct the Association through its President, Secretary or other officer of the Association thereunto duly authorized, upon the payment by the requesting Owner of a reasonable fee approximating the actual costs associated with such inspection and the preparation of such notice, to provide to such Owner a written statement of such compliance in recordable form. Such written statement of compliance shall be conclusive evidence of compliance of the inspected Improvements with the provisions of this Article as of the date of such inspection.

Section 11. Interior Alterations Exempt. Nothing contained in this Article shall be construed so as to require the submission to or approval of the Design Review Board of any plans, specifications or other materials for the reconstruction or alteration of the interior of any building, structure or other Improvement constructed on Properties or Common Area after having been previously approved by the Design Review Board, unless any proposed interior construction or alteration will have the effect of changing or altering the exterior appearance of such building, structure or other Improvement.

Section 12. Declarant Exempt. The Declarant shall be exempt from compliance with the provisions of this Article.

Section 13. Exculpation for Approval or Disapproval of Plans. The Declarant, any and all members of the Design Review Board and any and all officers, directors, employees, agents and members of the Association, shall not, either jointly or severally, be liable or accountable in damages or otherwise to any Owner or other person or party whomsoever or whatsoever by reason or on account of any decision, approval or disapproval of any plans, specifications or other materials required to be submitted for review and approval pursuant to the provisions of this Article, or for any mistake in judgment, negligence, misfeasance or nonfeasance related to or in connection with any such decision, approval or disapproval. Each person who shall submit plans, specifications or other materials to the Design Review Board for consent or approval pursuant to the provisions of this Article, by the submission thereof, and each Owner by acquiring title to any Lot or any interest therein, shall be deemed to have agreed that he or it shall not be entitled to and shall not bring any action, proceeding or suit against the Declarant, the Design Review Board, the Association nor any individual member, officer, director, employee or agent of any of them for the purpose of recovering any such damages or other relief on account of any such decision, approval or disapproval. Additionally, plans, specifications and other materials submitted to and approved by the Design Review Board, or by Declarant or Board of Directors of the Association on appeal, shall be reviewed and approved only as to their compliance with the provisions of this Declaration and their acceptability of design, style, materials, appearance and location in light of the standards for review and approval specified in this Declaration and the Design Review Standards Manual, and shall not be reviewed or approved for their compliance with any applicable Governmental Regulations, including, without limitation, any applicable building or zoning laws, ordinances, rules or regulations. By the approval of any such plans, specifications or materials, neither the Declarant, the Design Review Board, the Association, nor any individual member, officer, director, employee or agent of any of them, shall assume or incur any liability or responsibility whatsoever for any violation of Governmental Regulations or any defect in the design or construction of any building, structure or other Improvement, constructed, erected, placed or installed pursuant to or in accordance with any such plans, specifications or other materials approved pursuant to this Article.

## ARTICLE X - GENERAL PLAN OF DEVELOPER

Section 1. Deed Restrictions. In addition to this Declaration, the Declarant may record for parts of the Properties additional deed restrictions applicable thereto either by master instrument or individually recorded instruments. Such deed restrictions may vary as to different parts of the Properties in accordance with the Declarant's development plan and the location, topography and intended use of the land made subject thereto. To the extent that part of the Properties is made subject to such additional deed restrictions, such land shall be subject to additional deed restrictions and this Declaration. The Association shall have the duty and power to enforce such deed restrictions if expressly provided for therein, and to exercise any authority granted to it by them. Nothing contained in this Section 1 shall require the Declarant to impose uniform deed restrictions or to impose additional deed restrictions of any kind on all or any part of the Properties.

Section 2. Duration. The covenants, conditions and restrictions of this Declaration shall run with and bind the land and shall inure to the benefit of and be enforceable by the Association, or the Owner of any land subject to this Declaration, their respective legal representatives, heirs, successors and assigns, for a term of twenty-five (25) years from the date this Declaration is recorded in the public records of Pinellas County, Florida, after which time the covenants, conditions and restrictions contained in this Declaration shall be automatically extended for successive periods of ten (10) years unless prior to the end of such twenty five (25) year period, or each successive ten (10) year period, an instrument signed by the then owners of eighty percent (80%) of the Lots agreeing to terminate the covenants, conditions and restrictions at the end of such twenty-five (25) year or ten (10) year period has been recorded in the Public Records of Pinellas County, Florida. Provided, however, that no such agreement to terminate the covenants, conditions and restrictions shall be effective unless made and recorded at least ninety (90) days in advance of the effective date of such change. This Section may not be amended.

Section 3. Enforcement. The Association, the Declarant and any Owner, shall each have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration or as may be expressly authorized by deed restrictions as described in Section 1 of this Article. Failure of the Association, Declarant, or any Owner to enforce any covenant or restriction herein or therein contained shall in no event be deemed a waiver of the right to do so thereafter. If a person or party is found in the proceedings to be in violation of or attempting to violate the provisions of this Declaration or such deed restrictions, he shall bear all expenses of the litigation, including court costs and reasonable attorney's fees, including those on appeal, incurred by the party enforcing them. Declarant and Association shall not be obligated to enforce this Declaration or such deed restrictions and shall not in any way or manner

be held liable or responsible for any violation of this Declaration or such deed restrictions by any person other than itself.

Section 4. Severability. Invalidation of any one of these covenants or restrictions by law, judgment or court order shall in no way effect any other provisions of this Declaration, and such other provisions shall remain in full force and effect.

Section 5. Amendment. This Declaration may be amended from time to time by recording among the Public Records of Pinellas County, Florida by:

(a) An instrument signed by the Declarant, as provided in Section 6 of this Article; or

(b) A vote of two-thirds (2/3) of the Voting Members, at a meeting called for such purpose; or

(c) An instrument signed by the duly authorized officers of the Association provided such amendment by the Association officers has been approved in the manner provided in Paragraph (b) of this Section; or

(d) An instrument signed by two-thirds (2/3) of the Voting Members approving such amendment.

Notwithstanding anything herein to the contrary, so long as the Declarant, or its assigns shall own any Lot no amendment shall diminish, discontinue or in any way adversely affect the rights of the Declarant under this Declaration, nor shall any amendment pursuant to (b) or (c) above be valid unless approved by the Declarant, as evidenced by its written joinder. Any amendment to this Declaration which would affect any SWMS located within the Properties must have the prior approval of SWFWMD; such approval need not be recorded.

Section 6. Exception. Notwithstanding any provision of this Article to the contrary, the Declarant shall have the right to amend this Declaration, from time to time, so long as Declarant owns a Lot within the Properties, to make such changes, modifications and additions therein and thereto as may be requested or required by HUD, FHA, VA, FNMA, GNMA, or any other governmental agency or body as a condition to, or in connection with such agency's or body's agreement to make, purchase, accept, insure, guaranty or otherwise approve loans secured by mortgages on Lots or any other amendment which Declarant deems necessary provided such amendment does not destroy or substantially alter the general plan or scheme of development of the Properties. Any such amendment shall be executed by the Declarant and shall be effective upon its recording in the Public Records of Pinellas County, Florida. No approval or joinder of the Association, other Owners, or any other party shall be required or necessary to such amendment.

Section 7. FNMA Requirements. Upon written request to the Association, identifying the name and address of the Institutional Lender, or insurer or guarantor thereof and the Lot number or address, any such eligible mortgage holder or eligible insurer or guarantor will be entitled to timely written notice of:

(a) any condemnation loss or any casualty loss which affects a material portion of any Lot on which there is a first mortgage held, insured, or guaranteed by such eligible mortgage holder or eligible insurer or guarantor, as applicable;

(b) any delinquency in the payment of assessments or charges owed by any Owner of a Lot subject to a first mortgage held, insured or guaranteed by such eligible holder or eligible insurer or guarantor, which remains uncured for a period of sixty (60) days;

(c) any lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Association;

(d) any proposed action which would require the consent of a specified percentage of mortgage holders.

Section 8. Notice. Any notice required to be sent to any Owner under the provisions of this instrument shall be deemed to have been properly sent when personally delivered or mailed, postpaid, to the last known address of said Owner.

Section 9. Assignments. Declarant shall have the sole and exclusive right at any time and from time to time to transfer and assign to, and to withdraw from such person, firm, or corporation as it shall select, any or all rights, powers, easements, privileges, authorities, and reservations given to or reserved by Declarant by any part or paragraph of this Declaration or under the provisions of the plat. If at any time hereafter there shall be no person, firm, or corporation entitled to exercise the rights, powers, easements, privileges, authorities, and reservations given to or reserved by Declarant under the provisions hereof, the same shall be vested in and exercised by a committee to be elected or appointed by the Owners of a majority of Lots. Nothing herein contained, however, shall be construed as conferring any rights, powers, easements, privileges, authorities or reservations in said committee, except in the event aforesaid.

Section 10. Withdrawal. Anything herein to the contrary notwithstanding, the Declarant reserves the absolute right to amend this Declaration at any time, without prior notice and without the consent of any person or entity, for the purpose of removing certain portions of the Properties from the provisions of this Declaration.

Section 11. Warranties. Declarant makes no warranties, express or implied, as to the improvements located in, on or under the Common Area. Each owner of a Lot, other than Declarant, by acceptance of a deed or other conveyance thereto, whether or

not it shall be so expressed in such deed or conveyance, is deemed to acknowledge and agree that there are no warranties of merchantability, fitness or otherwise, either express or implied, made or given, with respect to the improvements in, on or under the Common Area, all such warranties being specifically excluded.

Section 12. FHA/VA/FNMA Approval. As long as there is a Class B membership, and provided FHA or VA approval is sought by Declarant, the following actions will require the prior approval of the FHA or VA: annexation of additional properties, dedication of Common Area, and amendment of this Declaration, the Articles and/or Bylaws.

Section 13. Annexation.

(a) Additions to Properties and General Plan

(1) Additions to the Properties. Additional land, which is described on **Exhibit "F"** attached hereto and incorporated herein by reference, may be brought within the jurisdiction and control of the Association in the manner specified in this Section 13 and made subject to all the terms of this Declaration as if part of the Properties initially included within the terms hereof, provided such is done within twelve (12) years from the date this instrument is recorded and provided further that if FHA or VA approval is sought by Declarant, the VA or FHA approves such action. Notwithstanding the foregoing, however, under no circumstances shall the Declarant be required to make such additions, and until such time as such additions are made to the Properties in the manner hereinafter set forth, no other real property owned by the Declarant or any other person or party whomsoever, other than the Properties, shall in any way be affected by or become subject to the Declaration. Any land which is added to the Properties as provided in this Article shall be developed only for use as designated on the Master Plan, subject to Declarant's rights to modify, unless FHA or VA approval has been sought by Declarant and subsequent to that approval being obtained the VA or FHA shall approve or consent to an alternate land use. All additional land which pursuant to this Article is brought within the jurisdiction and control of the Association and made subject to the Declaration shall thereupon and thereafter be included within the term "Properties" as used in this Declaration.

Notwithstanding anything contained in this Section and in said Master Plan, the Declarant neither commits to, nor warrants or represents, that any such additional development shall occur.

(2) General Plan of Development. The Declarant has heretofore submitted to the Pinellas County Planning and Zoning Department a plan of development (the "Master Plan") for the land which may become subject to this Declaration, showing a general indication of the size and location of additional developments which may be added in subsequent stages and proposed land uses in each; the approximate size and location of Common Area for each stage; and the

general nature of any proposed Common Area facilities and improvements. Such Master Plan shall not bind the Declarant to make any such additions or adhere to the Master Plan. Such Master Plan may be amended or modified by the Declarant, in whole or in part, at any time, or discontinued.

(b) Procedure for Making Additions to the Properties. Additions to the Properties may be made, and thereby become subject to this Declaration by, and only by, one of the following procedures;

(1) Additions in Accordance with a Master Plan of Development. The Declarant shall have the right from time to time in its discretion and without need for consent or approval by either the Association or its members, to bring within the jurisdiction and control of the Association and make subject to the scheme of this Declaration additional land, provided that such additions are in accordance with the Master Plan or any amendments or modifications thereof.

(2) Mergers. Upon a merger or consolidation of the Association with another non-profit corporation as provided in its Articles, its property (whether real, personal or mixed), rights and obligations may, by operation of law, be transferred to the surviving or consolidated corporation or, alternatively, the Property, rights and obligations of the other non-profit corporation may, by operation of law, be added to the property, rights and obligations of the Association as the surviving corporation pursuant to a merger. The surviving or consolidated corporation may administer the covenants and restrictions established by this Declaration within the Properties together with the covenants and restrictions established upon any other land as one scheme. No such merger or consolidation, however, shall effect any revocation, change or addition to the covenants established by this Declaration within the Properties. No such merger or consolidation shall be effective unless approved by two thirds (2/3) vote of each class of members of the Association present in person or by proxy at a meeting of members called for such purpose, and, if VA or FHA approval has been sought by Declarant, by the VA or FHA.

(c) General Provisions Regarding Additions to the Properties.

(1) The additions authorized under Section b(1) of this Article shall be made by the Declarant filing of record a Supplement to Declaration of Covenants, Conditions and Restrictions with respect to the additional land extending the scheme of the covenants and restrictions of this Declaration to such land, except as hereinafter provided in Section c(4). Such Supplement need only be executed by the Declarant and shall not require the joinder or consent of the Association or its members. Such Supplement may contain such complimentary additions and modifications of the covenants and restrictions contained in this Declaration as may be necessary to reflect the different character, if any, of the added land or permitted use thereof. In no event, however, shall such Supplement revoke, modify or add to the

covenants established by this Declaration as such affect the land described on the attached **Exhibit "A."**

(2) Regardless of which of the foregoing methods is used to add additional land to that subject to the terms and provision of this Declaration, no addition shall revoke or diminish the rights of the Owners of the Properties to the utilization of the Common Area as established hereunder except to grant to the owners of the lands being added to the Properties the right to use the Common Area according to the terms and conditions as established hereunder, and the right to vote and be assessed as herein after provided.

(3) Prior to the addition of any land pursuant to Section b(1) of this Article, the Declarant shall submit to VA or FHA plans for the development thereof, if Declarant has sought VA or FHA approval.

(4) Notwithstanding anything to the contrary contained in this Article or elsewhere in this Declaration, so long as Declarant, its successors or assigns, shall only hold an option to purchase, and not have fee simple title to, any land which is proposed to be added to the Properties, such land may not be added to the Properties pursuant to this Article without the joinder of the fee simple owner thereof and the joinder of the holders of all mortgage liens, if any, thereon.

(5) Nothing contained in this Article shall obligate the Declarant to make any additions to the Properties.

(d) Voting Rights of the Declarant as to Additions to the Properties. The Declarant shall have no voting rights as to the lands it proposes to add to the Properties until such land or portion thereof is actually added to the Properties in accordance with the provisions of this Article. Upon such land or portion thereof being added to the Properties, the Declarant shall have the Class B voting rights as to the Lots thereof as is provided by this Declaration.

(e) Assessment Obligation of the Declarant as to Additions to the Properties. The Declarant shall have no assessment obligation as to the land it proposes to add to the Properties until such land or portion thereof is actually added to the Properties in accordance with the provisions of this Article. At such time, the Declarant shall have the assessment obligation with regard to Lots which it owns, upon the same terms and conditions as contained in this Declaration.

Section 14. Expansion or Modification of Common Areas. Additions or modifications to the Common Area may be made if not inconsistent with the General Plan and any amendments thereto. Neither the Declarant, its successors or assigns, shall be obligated, however, to make any additions or modifications. Declarant further

reserves the right to change the configuration or legal description of the Common Areas due to changes in development plans.

IN WITNESS WHEREOF, the undersigned, being the Declarant herein has caused this Declaration to be executed by its duly authorized officers and affixed its corporate seal as of this 6<sup>th</sup> day of December, 2001.
