

2015 Annual Homeowners Meeting Summary

Nearly fifty homeowners met Tuesday December 8th for the Annual Thurston Groves HOA meeting at the Seminole Recreation Center conference room. Out-going President Janet Dent thanked the crowd for their support during the year and wished the new board great success.

The membership voted Stephen King (Falcon Terr) and Alan House (TG Blvd) to replace the two vacant positions for next year. In a follow-up organizational meeting later, the board elected it's officers for 2016:

President – Bob Lima

V President – Larry Tieman

Treasurer – Bob Siegel

Secretary – Alan House

Director – Stephen King

The meeting also discussed plans for new landscape projects and a major overhaul of the entrances and beds along 102nd and Ridge Rd.

Guest Speaker Deputy Webb, Pinellas Country Sheriff's Department followed with a much valued presentation on keeping your home and loved ones safe and identity theft. There was interest expressed about starting a Neighborhood Watch. Homeowner David Sferrazza volunteered to help set it up. Please contact Dave by email at sfrazza@tampabay.rr.com.

The new board will plan to meet again sometime in February. We encourage your attendance.
